

Application Package

Thank you for your interest in Accelerator School. All potential students will be evaluated academically and athletically to assess compatibility with the goals and philosophy of the school in order to ensure student success. The following are necessary for enrollment consideration:

1. An in-person evaluation that allows coaches to assess the student's skill level.
2. An in-person meeting with the student, parents/guardians, and school administrator(s).
3. Completed application and \$50 administrative fee.
4. Student-written personal statement.
5. A copy of the most recent report card or transcript.
6. A copy of the final report card from the previous school year.
7. Copies of any standardized test results within the last three years.
8. A copy of current IEP, 504, and/or other documentation outlining accommodations needed. (Please note that AS is able to make minor accommodations such as additional time for testing, but we do not provide pull-out services at this time.)
9. Teacher recommendation letter(s)* addressing the following:
 - academic readiness
 - work ethic and motivations
 - interactions with peers and adults
 - strengths and weaknesses in the classroom environment

* Middle school students should submit at least one letter of recommendation. High school students should submit at least two letters of recommendation.

Writers should send letters directly to Accelerator School via email; there is no need to mail a hard copy.
10. AS coaches reserve the right to contact club coaches for details on the student-athlete's level of play. Please record the coach's name and contact information on the application.

The completed application and supporting documents should be delivered to the school or uploaded to our portal using the form and "Choose Files" button below.

Completed application packages are reviewed in the order received, and families will be notified of enrollment decisions starting March 15.
